

**STANDARD WATER SERVICE
APPLICATION
Town of Avon Water District**

I hereby apply for approval from the Town of Avon Water District to perform the work indicated below. This application will apply to work to be performed at this location: _____, Avon, NY.

The work is to be completed within 120 days of the date of this application. I agree to reimburse the Water District for all unusual costs that may be incurred to complete the installation in addition to the fees noted and paid with this application.

Full payment is required prior to permit being issued for this request: payable to "Town of Avon Water Dept."

- Any work done by outside contractors/homeowners will require inspection by Town of Avon Water Dept. Inspection @ \$50.00.
- Insurance binder will be required for any work performed within the Town right of way. Date Received _____
- Any replacement water lines from curb stop to house will be required to have a permit and be inspected prior to back-filling. Inspection @ \$50.00.
- New water lines from curb stop to house will be required to have a permit and inspection @ \$50.00.
- All service lines must be K copper or Plastic SDR-9 installed at a minimum depth of 4 feet. All fittings installed must be brass or plastic pipe.
- Applicant is responsible for restoration.
- All fees include one trip only. Additional trips will be charged at \$50.00 each.
- All commercial applicants must install appropriate backflow prevention device as per NYS Department of Health code.
