

**WATER SERVICE  
APPLICATION  
Town of Avon Water District**

I hereby apply for approval from the Town of Avon Water District to perform the work indicated below. This application will apply to work to be performed at this location: \_\_\_\_\_, Avon, NY.

The work is to be completed within 120 days of the date of this application. I agree to reimburse the Water District for all unusual costs that may be incurred to complete the installation in addition to the fees noted and paid with this application.

**Full payment is required prior to permit being issued for this request: payable to "Town of Avon Water Dept."**

- Any work done by outside contractors/homeowners will require inspection by Town of Avon Water Dept. Inspection @ \$50.00.
- Insurance binder will be required for any work performed within the Town right of way. Date Received \_\_\_\_\_
- Any replacement water lines from curb stop to house will be required to have a permit and be inspected prior to back-filling. Inspection @ \$50.00.
- New water lines from curb stop to house will be required to have a permit and inspection @ \$50.00. Installation of meter and reader @ \$120.00.
- All service lines must be 1" K copper installed at a minimum depth of 4 feet. All fittings installed must be brass.
- Applicant is responsible for restoration.
- All fees include one trip only. Additional trips will be charged at \$50.00 each.
- All commercial applicants must install appropriate backflow prevention device as per NYS Department of Health code.
