

2016 Comprehensive Plan

APPENDIX

Town of Avon - Comprehensive Plan Update Community Preference Survey Results

The following is a summary of the Community Preference Survey (CPS) conducted in December of 2014, with the Steering Committee. The survey results are presented based upon committee member responses, beginning with the least desirable images (lowest possible score was 0) to the most desirable images (highest possible score was 9).

Town of Avon – Community Forum Minutes Held on November 18, 2014 from 7:00 to 9:00 PM At Avon Veterans Hall, 5480 East Avon Lima Road

<u>Attendees:</u> J. Steinmetz, M. Gaudioso of the Steinmetz Planning Group with nearly 40 attendees. Representation of attendees at the forum included Steering Committee members, about half Town residents and half Village residents, as well as community stakeholders.

Mr. Blye welcomed the attendees and thanked them for coming out to the Community Forum. He gave a brief summary of the background to the Town's Comprehensive Plan Update effort and explained that they are in the early stages of the process. Mr. Blye then introduced Mr. Steinmetz, providing a summary of the Steinmetz Planning Group's experience with Comprehensive Planning and what role the firm will have in assisting the Town with their update. Mr. Blye then took a moment to recognize the members of the Steering Committee who have volunteered their time to this project.

Following the introductions, Mr. Steinmetz gave a presentation on what a Comprehensive Plan is, and why an update will be beneficial to the Town of Avon. He ended the presentation with a brief overview of the Town's proposed planning process and timeline, and indicated that those interested in following the project could do so on the "Town of Avon: Envisioning the Future" Facebook page. The floor was opened up for questions or comments from the public before moving on to the key issue brainstorming exercise.

Mr. Steinmetz and Ms. Gaudioso then led the group in a key issue brainstorming exercise, facilitating discussions based on the attendees' perceived strengths, weaknesses, opportunities, and threats for the Town of Avon. The results of the brainstorming exercise are outlined on following page.

As the discussion came to an end, the attendees were given three sticker dots to place by items on any topic they felt was the most important to address as part of the Comprehensive Plan process. The number of dots an issue received is indicated by a star (\star) on the following page. The attendees were then thanked for their time and participation and encouraged to stay tuned for future public input opportunities.

STRENGTHS

- Rural atmosphere, beautiful setting, aesthetic rural character****
- Agriculture industry★★★
- Village center and its walkability★★
- History⋆⋆
- Strong/diverse faith community food pantry, interfaith council**
- Small town character*
- Parks, trails, recreation space, and open space*
- Good location Route 390, Corning, Buffalo, Rochester*
- Love the train (supports businesses)★
- Local events (Corn Fest, Saturday Night Out, Food Rodeo, Parade, Tom Wahl's Concert, Christmas Tree, Opening Day of Little League, etc.)*
- People caring; families are staying
- Safe
- Not bad traffic within the Town
- Good school districts
- Scouts
- Zion House One of few transition homes for female veterans
- Diverse socioeconomic group careers, businesses, trades, educations, etc.
- River
- Job opportunities
- Boomerangs people moving back to the area

WEAKNESSES

- High tax rate****
- Stormwater runoff management****
- Lacking service oriented and retail businesses (Clothing, office supplies, gift shops, etc.)***
- Lack of places to eat/shop do not want chain restaurants**
- Lack of bike paths⋆
- Need urgent care and medical services
- Lack of pedestrian facilities in East Avon
- Young people have hard time finding jobs
- No movie theater
- Lack of recreation center things for under 17 year olds to do
- Lack of water and sewer in East and West Avon
- No natural gas in East Avon
- · High water and sewer rates

OPPORTUNITIES

- Reuse of third floor Town Hall opera space******
- Development of recreation center/movie theater***
- Continuing care community for seniors★★
- Connect Avon to East Avon via bike path facilities**
- Create identity for the Town pull people in**
- Develop arts and culture community★
- Active railroad line*
- Farmers' Market growth (currently held on Wednesdays at Tops)★
- Provide more variety in housing stock
- History and culture support tourism efforts
- Received Main Street Grant for downtown (\$250k)
- Sprucing up rundown or tired areas

THREATS

- Potential for unplanned/incompatible development and industry******
- Losing farmland/open space/green space*****
- Lack of building and code enforcement★★★
- Potential aguifer contamination (wells)★★★
- Lack of local support for local businesses★★
- Traffic (pressures from outside Town) Route 39/Geneseo and through-traffic*
- Perceived lack of collaboration and communication between Village and Town*
- Accessibility of Route 390 potential to increase drug traffic
- Development pressures from Rochester (Along Route 5 & 20)
- Losing younger population (Some are moving back)
- "Chain" development character
- · Lack of architectural review
- Signage no plan, character
- · State highway is only two lanes
- Impact of decisions made in adjacent communities (big box, etc.)

Community members were also given the opportunity to submit written comments, concerns, or ideas for the Comprehensive Plan update on comment sheets provided at the meeting or via email to the Town. These responses are listed anonymously below:

- "A good idea from Orchard Park is each new home (they have developments) gets a tree planted by highway guys. Big ones. Somehow the true cost is tacked onto their building permits. The town has a full time arborist and it shows. Very orchard like."
- "The car sales business moratorium is not good for business. In East Avon car sales and repair businesses are a major part of that region's economy. A plan should include a way for these businesses to grow while making East Avon look good through the dealers efforts and municipal efforts." NOTE: There is not a moratorium on car sales establishments in the Town.
- "In relation to making East Avon look good, the 4 corners needs to be a part of any plan.
 The continued vacancy of the south west corner is ridiculous. Parcel size should allow
 for something to happen on this corner whether through a spot zoning or offering serious
 consideration to a quick variance. The condition of the area behind Quick Lees on the
 south east corner is an eyesore."
- "If there are going to be continued moratoriums and no change to zoning then enforcement should keep up with this. At this time there are businesses that ignore these conditions and there is no control over what is being developed and created because there is no enforcement."
- "I am not in favor of any expansion or new development of trailer parks in East Avon. I think there should be sidewalks for portions of route 15 and route 5 & 20 that make East Avon connected with itself but also with the village."
- "Why don't we have more black families in Avon? Very little race diversity."
- "As the Genesee River is the entire western border of our town, there could be a boat launch/access at Fowlerville Road. I believe that land is already owned by the town, as it was the old dump. One could put a boat in at Fowlerville Road, and then get out at the Avon Village launch at 5 & 20. Short and sweet, and completely Avon-based."
- "Sweet Arts Bakery on Genesee St. holds a teen function on Saturday mornings. About 15 come each time, so it could be an access to that age group."
- "Clothing and gift stores can't ever seem to hold on, probably due to the proximity to Henrietta."
- "Residential development should be balanced with business development. Residential development is often a burden on taxes and services."
- "Aggressively work to develop corner in East Avon."
- "Offer more youth opportunities"
- "NYS regulations are very limiting"
- "Residential growth = the Village"
- "Commercial growth = the Town"
- "Continue to fund/support our great park settings."
- "Resist the temptation to merge municipalities/schools"

Town of Avon – Senior Workshop Held on January 7, 2015 from 1:30 to 3:00PM At First Presbyterian Church

<u>Attendees:</u> J. Steinmetz, M. Gaudioso of the Steinmetz Planning Group with approximately 22 attendees. Representation of attendees at the forum included Steering Committee members, Town and Village residents, and an employee of the Livingston County Office of the Aging.

Mr. Blye welcomed the attendees and thanked them for coming out to the Senior Workshop. He gave a brief summary of the background to the Town's Comprehensive Plan Update effort and explained that they are in the early stages of the process. Mr. Blye then introduced Mr. Steinmetz, providing a summary of the Steinmetz Planning Group's experience with Comprehensive Planning and what role the firm will have in assisting the Town with their update.

Following the introduction, Ms. Gaudioso gave a presentation on what a Comprehensive Plan is, and why an update will be beneficial to the Town of Avon. She then gave a brief overview of the Town's proposed planning process and timeline. Ms. Gaudioso also reviewed population and age statistics for the Town of Avon, including information about aging in place and a recent AARP survey given to residents of New York aged 50 and over. The floor was opened up for questions or comments from the public before moving on to discussion groups.

Mr. Steinmetz and Ms. Gaudioso then divided the attendees into two groups, facilitating discussions based on the attendees' perceived issues or opportunities with regards to destinations and activities, medical services, transportation, housing, and the Town in general. The results of these discussions are outlined on the following pages, where Group 1 is Ms. Gaudioso's group and Group 2 is Mr. Steinmetz's group.

As the discussion came to an end, the attendees were asked what about the Town they would address if they were King or Queen for a day. These comments are included at the end of the summary. Each group member was thanked for their time and participation and encouraged to stay tuned for future public input opportunities.

DESTINATIONS AND ACTIVITES

Group 1:

- Shopping
 - Drug Store/Convenience Store Would like closer stores to Town
 - Tops isn't as good as the Geneseo Wegman's
 - Henrietta has more to offer, a wider selection
 - Henrietta #1, Geneseo #2
- Dining
 - Peppermints
 - Tom Wahl's
 - Fratelli's
 - Avoid "fast food" for nutrition reasons
 - Go out of Town for formal dinners Henrietta #1, Geneseo #2, Rochester
- Exercise
 - Silver Sneakers
 - Walk by river, Genesee Valley Greenway
- Farm markets Want more in Town
- Hair salon
- Church
 - Services
 - Dinners
 - Outreach
- Scenic driving
- Library
- School activities
 - Plays, cultural events
 - Grandkids sporting events
- **Historical Society**
- Senior Lunch Program
- Interfaith Food Kitchen

Group 2:

- Shopping
 - Henrietta and Geneseo
 - Avon is a bedroom community

 - Tops, Wegmans, AldisNeed more stores, grocery store
 - Limited retail offerings, need clothing, something unique
- Dining
 - Ember
 - Need more high-end dining restaurants that serve drinks
- Exercise
 - Genesee Valley Greenway
 - Letchworth State Park
 - Conesus Lake
 - Silver Sneakers
- Church
 - Service
 - Mission group
- Rotary Club, Lion's Club, American Legion, Service Organizations
- XYZ Club Social organization
- Library
- Genesee Country Museum

- Movies in Geneseo
- Downtown Rochester Cultural events

MEDICAL & HEALTH CARE SERVICES

Group 1:

- General practitioner and dentist in Town
- · Strong for specialist care
- Honeoye Falls for dentist
- Lakeville for eye doctor
- Livingston County Women's Center is a good asset to the area
- Clinton's Crossing Internal Medicine (Rochester)

Group 2:

- Housing Poor condition, lack of affordability and choices ****
- No public transportation ★★
- Poverty ★
- Above ground wiring ★
- Signage Inconsistent, character, poor wayfinding ★
- Limited Resources Money and human capital
- Slow to get things done
- High taxes and gas prices
- · Lack of access to waterfront
- Façade maintenance painting, upkeep
- Still some vacancies on Main Street
- Seasonal swing in economy due to tourism PT jobs, etc.
- Parking
- Seasonal residents (no buy-in)
- Lack quality, diverse restaurant selection
- Post Office façade needs face lift
- Lack of mental health services especially for children

TRANSPORTATION & MOBILITY

Group 1:

- · All still driving
- Bus routes are limiting
- · Plans for when no longer able to drive
 - Lift program
 - Friends and/or relatives
 - LATS
 - RTS Will run by call to certain destinations

Group 2:

- Avon Driving Park less than ½ mile away is the trail
- Could use more outdoor walking opportunities
- Bring sidewalks from East Avon into the Village
- No bus shelter or bench in front of Tops
- LATS is very limited no senior center, no senior van
- Transportation is key to providing quality of life to seniors
- Program in California bought three Honda Fits and had volunteers drive people
- Lion's Club has loan closet Medical equipment like walkers, etc.

HOUSING

Group 1:

- Living at home now
- Considering downsizing in the near future
- Demand exists for Senior Housing (like by Tops)
 - Duplexes
 - Apartments
 - Patio homes
 - Some owned, some rented
- No proprietary care in Town, just nursing homes
- · Lack of services to assist seniors at home is a concern
- Affordability of housing and care is a primary issue
- Home maintenance can be an concern for older residents

Group 2:

- May be a lack of assisted living opportunities
- Some townhouses are too expensive
- Harper Park is a good residential living option (no pets allowed)
- Local resident with St. Agnes Church will retrofit homes need to increase awareness

STRENGTHS OF AVON

Group 1:

- Safe, low crime
- Healthy County
- Community support Churches, neighbors
- Local business relationships provide accountability and honesty
- Aesthetic value to the area Open space, conservation efforts
- Farms
- Volunteer organizations benefit community Lion's Club, etc.
- · Community activities Corn Festival, etc.
- Library services Wifi, computers, etc.
- Tourist activity within Town
- Historical Hamlets and the history of the community
- Erie-Attica Trail development (by Barilla)

Group 2:

- Close to family
- Goods and services are all here in the Village
- Cluster of medical services within walking distance of Tops, CVS, etc.
- Library is coming along
- Small town charm and atmosphere, friendly community
- Police presence is visible
- Location close to Geneseo and Henrietta
- School system
- Good Town and Village cooperation
- Interfaith Council will be a good resource for implementation of the Plan

CONCERNS FACING AVON

Group 1:

- Transportation, especially to non-emergency medical appointments
- Taxes (Local and state) need better senior deductions
- Cost of living Gas prices, heating costs (propane, fuel)
- Healthcare costs
- Weather
- Want to be near family and they may not move back
- Significant shortage of affordable respite care
- Traffic
- Lack of walkable neighborhoods
- Lacking proprietary care facility within Town
- Severe deer problem Affects gardens, agriculture, traffic, and brings lime disease threat
- No regulation on coyote hunting, which are predators of deer
- Dated infrastructure Water and sewer systems need updating and expanding
- Poor stormwater management with new developments brings concern for flooding
- Walking and biking by Route 5 & 20 can be hazardous
- Need central community center for all ages
- No continuing education or programming
- Would be nice to have senior computer/technology classes
- Improve engagement with schools Develop intergenerational relationships
- Senior reading program in elementary schools
- High school kids volunteer to help seniors with home care, etc.

Group 2:

- Need to strengthen downtown Movie theater, community center
- Limited parking, especially for park events
- Sidewalk conditions could be better
- Lack of bike lanes and bike facilities
- Can't make community calendar work
- More community events that are fresh and new for all generational

KING/QUEEN FOR A DAY

Group 1:

- Enhance Route 15 and Route 5 & 20 Better property maintenance, façade treatments, benches along streets, etc.
- · Bring bike path or sidewalk from East Avon to the Village
- Add mini parks to Town
- Bring development to corner of Route 15 Coffee shop, etc.

Group 2:

- Senior Center and youth activities
- Highlight local history Plaques, etc.
- Book Club or community reads
- Avon community walks
- Don't build anything, use what we already have

Town of Avon - Youth Workshop Minutes Held on March 4, 2015 Avon High School

Classrooms:

The following summaries are for two classroom workshops held at Avon High School. Class 1 consisted of students taking an economics course, while Class 2 was a mix of students taking a participation in government course. The workshops were conducted in back-to-back class periods.

Summary:

At the start of each class the teachers introduced John Steinmetz and Molly Gaudioso as the consultants working on the Town of Avon Comprehensive Plan Update. Mr. Steinmetz and Ms. Gaudioso then provided the students with some background on comprehensive planning, their role as planning consultants with the Town, and the purpose of their visit. Molly gave the students a brief overview of the questions they would be asked during the workshop, which included: what did you like about growing up in Avon, what didn't you like about growing up in Avon, what do you see yourself doing in 5 to 10 years, and where? After addressing any questions from the group, Ms. Gaudioso led a discussion with the students based on the previously listed questions resulting in a list of what their top priority would be if they were to be King or Queen for a day. The results of these discussions with each class are outlined on the following pages.

At the end of each session Mr. Steinmetz and Ms. Gaudioso thanked the students for their thoughtful responses and the teachers for allowing the use of their class time for the project. The students were informed that their comments would be included as part of the Comprehensive Plan update process, and were encouraged to look for more information on the Plan and public input opportunities in the future.

I. What DID you like about growing up in Avon?

Class 1:

- Old wooden playground (now gone)
- A lot of pizza places
- Little league fields at the Downs
 - Ball fields/courts
 - o Trail
- Five arch bridge
- The pond at Barilla
- Drive-in during the summer
- Flea Market
- Woody's Ice Cream
- Corn Fest
- School sport fields are good
- Safe community, but not good for walking and biking in town
- Easy to find jobs
- Sidewalks are a good network, but in rough condition
- Access to fresh foods (corn → summer)
- Good schools compared to others in area

- Tops
- Rollerskating/biking
- Kraft Foods/Barilla
- Close to Attractions
 - City of Rochester
 - Marketplace Mall
 - Henrietta
- Small-town feel
- Low crime
- A lot of pizza
- Five arch bridge by Barilla
- Genesee Greenway Trail
- Monument in the circle
- Corn Fest
- Close community feel
- Downs (Avon Driving Park)
- Drive-in theatre
- Playgrounds at theelementary school
- Good community history and architecture, eg. Opera Block
- Job opportunities are alright
- Tom Wahl's
- Coyne Farms
 - Farm Fest
- Good school spirit
 - Not cliquey
 - Not adversarial
- No Wal-Mart can be seen as a plus

II. What DIDN'T you like about growing up in Avon?

Class 1:

- Crummy sidewalks
- Have to leave town to hang out (Henrietta/Geneseo)
- Have to really like corn
- Hard to get places if you live outside the village and don't drive
- Cow manure all over road in spring
- Avoid Rochester Street (Avon)
 - Too "Sketchy"
 - Poorly maintained properties
- Empty commercial properties/buildings
- Houses near Fat Sam's leaning by "The Breezeway"
- Get stuck behind
 - Farm equipment on town roads
 - Tractor trailers on Route 5

- Nothing going on, not a lot of entertainment
- Need more diversity in Restaurants eg. Taco Bell
- Have to go to Geneseo, Henrietta,
 Bristol for entertainment
- Bicycle and pedestrian connections to East Avon don't exist. We're "isolated"
- Rough Sidewalks
- Closed movie theatre- vacant building
- Limited population, small town
- School spends a lot of money on sports
- Taxes
- No fishing at quarry
- Need concert or event venue
- Not a lot of shopping opportunities
- Need a light at Pole Bridge and Routes 5 & 20
- Need to fill empty plaza in East Avon

III. What do you see yourself doing in 5 to 10 years? Where?

Class 1:

- Environmental Studies Avon unless job takes elsewhere
- Criminal justice/psychology bigger city
- Law enforcement bigger city
- Trade Avon
- Sports Management Southern city, living here too expensive
- Accounting Rochester Area
- Computer Programming Wherever an opportunity arises
- Chemistry not sure
- Health/Medicine Not New York State
- Accounting bigger city
- Engineering not city, rural
- Computer related Avon
- Early Childhood development Buffalo
- Art Avon
- Art Finger Lakes, within an hour of Avon

- Working Not Avon
- Information Technology Country in a larger city
- Social Worker out of NYS
- Entrepreneur LeRoy/Around the area
- Travel California, warm, nice area
- Musician wherever feels comfortable
- Security Guard Kentucky because of gun laws and it's warmer
- Military Japan
- Computer Science Out of the US
- DEC Here if there's a job opportunity, or south where it's warmer
- Entrepreneur/Doctor California, best state ever
- Lawyer bigger city, will stay close for family
- Business finance stay, family ties
- College warmer area
- NASCAR cities
- Nursing Down south to warmer weather
- Teacher/Photographer Savannah, Georgia because of taxes, lower cost of living, and it's warm.
 Linesman - Move out of state, then come back to Avon where my roots are

IV. What would be your top priority for Avon if you were King or Queen for a day?

Class 1:

- Swap pizza place for something else
- Change chemicals in pool, too itchy
- Bring Woody's (ice cream) back in town
- Add movie theatre (not drive in)
- Reduce the number of churches
- Make a road from Pole Bridge to the school
- Put Stop light by D'Ontonio's
- Get rid of Breezeway, Gives me an uneasy feeling
- Mini golf, art gallery, clothing stores, laser tag, Something fun
- Make the traffic circle less confusing
- Fill vacant buildings and stores
- Get a Muddy Waters (Coffee Shop/Hangout) for Avon

- Build an Amusement Park
- Get more development/more people
- Bring more diversity in restaurants/stores/recreational places
- Create more community-wide events
- Add a military base
- Create better connections between East Avon & Avon (Sidewalks, bike path, etc)
- Bigger gun range
- Bring batting cages, Go-Karts, Archery
- Add a sports arena, community center, YMCA, or recreation gym
- Make the local Go-Kart place public

Town of Avon Comprehensive Plan

Market Research Summary

August 2015

The right information for the right decisions.

Background and Methodology

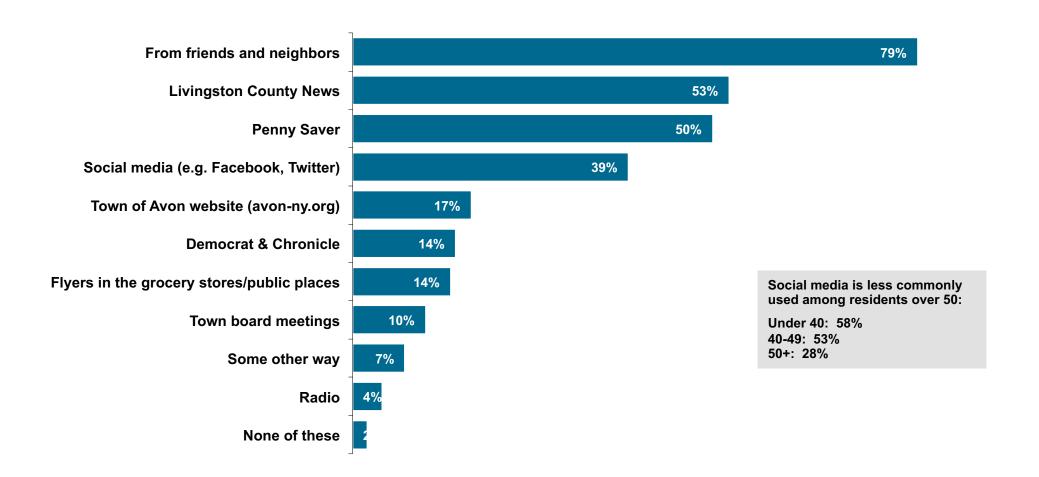

- The Town of Avon conducted this survey of residents to learn more about their views towards issues facing the town. Gathering input from residents is an important part of the development of a Comprehensive Plan.
- The questionnaire was developed by Crux Research Inc. (Honeoye Falls) with input from the Town of Avon. Crux designed, programmed, hosted, and tabulated the survey at no charge to the town.
- The Town of Avon was responsible for promotion and obtaining response to the survey. Response was garnered using a variety of methods (online links, school district email, Penny Saver advertising, posters/flyers, etc.).
- The first page of the survey consisted of a letter explaining the purpose of the study and thanking residents for participating.
- In total, 378 town residents completed the questionnaire (+/-5%). The data in this report are balanced by age and gender to accurately represent the demographic composition of the Town.
- The questionnaire had a median length of about 18 minutes.
- The survey was open from July 7 to August 7, 2015.

Learning About Avon Issues

Other than friends and neighbors, the Livingston County News and the Penny Saver are primary sources for learning about issues affecting Avon 39% learn about issues through social media

How do you typically learn about issues affecting the Town of Avon?

Views Toward Avon and Current Town Services

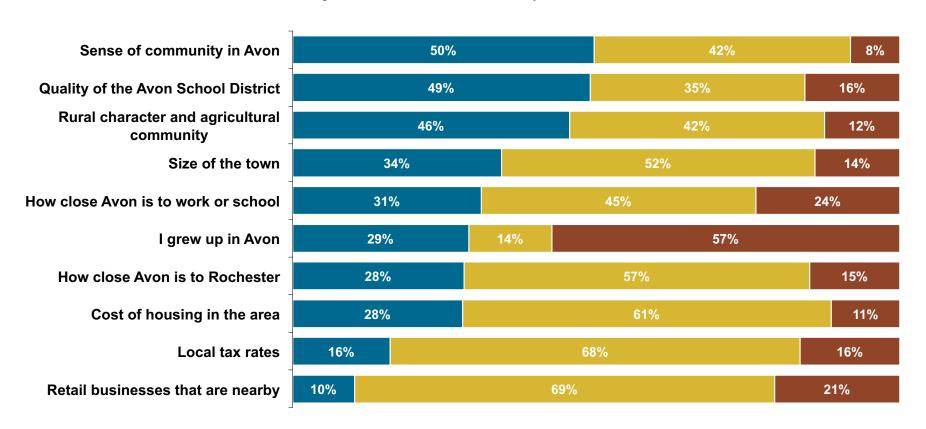

The main reasons residents choose to live in Avon is the sense of community and the quality of the Avon School District

The rural character is important as well

Please indicate if the following is a critical reason why you live in Avon, if it is important to you, but not critical, or if it doesn't matter to your decision to live in Avon?

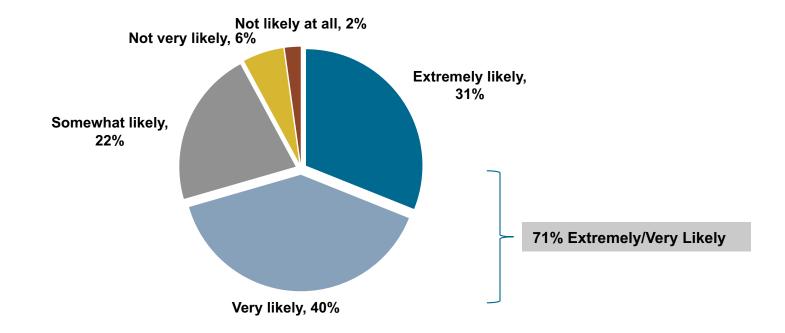

71% of residents are very or extremely likely to recommend living in Avon to a friend

Suppose you had a friend that was thinking of moving to the Greater Rochester area.

How likely would you be to recommend living in Avon to this friend?

Q205 Qualified Respondents (n=379)

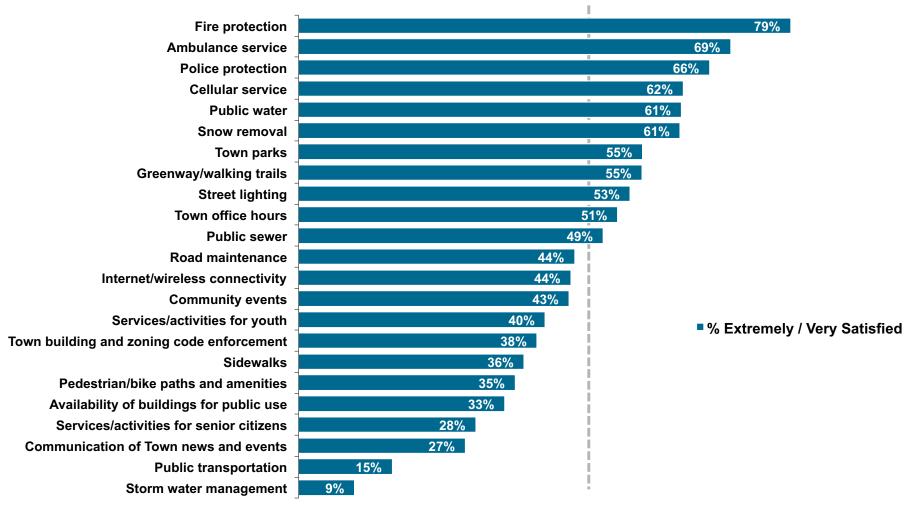

Fire protection, ambulance service and police protection receive high marks from Avon residents

Improvements can be made in communication of town news and events

Please indicate if you are satisfied with the current level of service the Town provides:

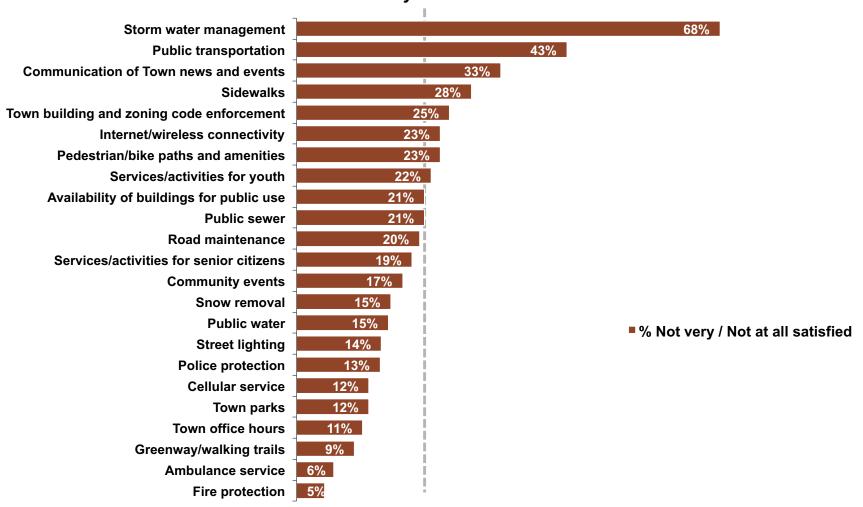

Many Avon residents are not satisfied with storm water management Heavy flooding in Spring, 2015 has influenced community opinion

Please indicate if you are satisfied with the current level of service the Town provides: * Not very / Not at all satisfied

Item average = 21%

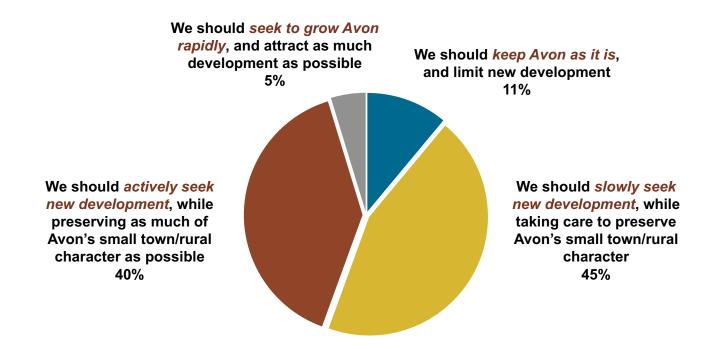

Views Toward Future Development

Residents wish to preserve Avon's small town character

Which statement below comes closest to describing your views on development in Avon for the next 10 years?

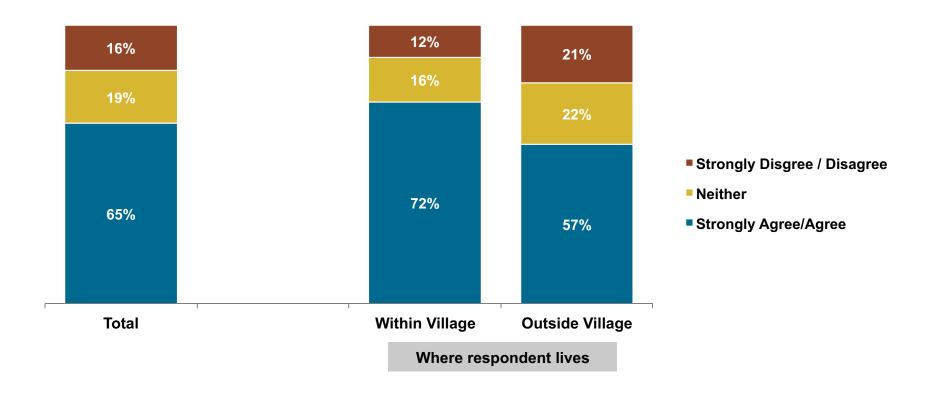

Q300 Qualified Respondents (n=379)

Avon residents, particularly those living in the village, agree that future land use policy should enhance the character of the village

How much do you agree or disagree with:

Future land use policy in the Town should strive to enhance the vitality and character of the village

Q305: Qualified respondents (n=377)

Many residents are comfortable with the town encouraging development of single family homes built on 1-acre lots, or senior living units

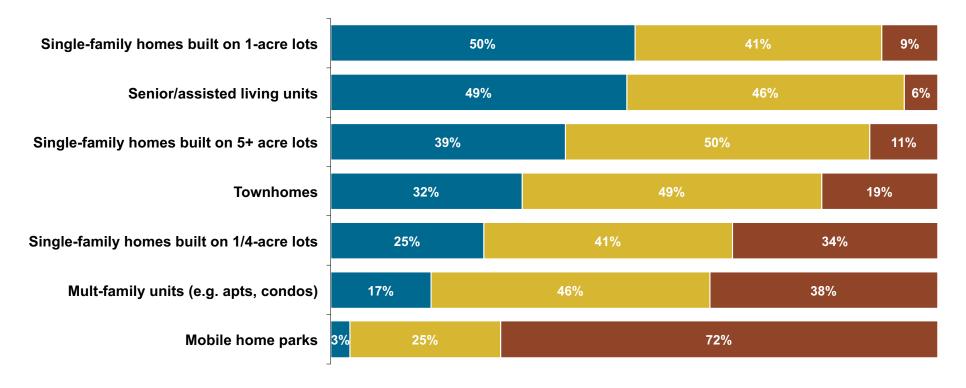

Residents are not as comfortable with the development of smaller lots, multi-family units or mobile home parks

Indicate if you feel the town should commit resources to encourage or discourage this type of development, or if the town should do neither:

- The Town should encourage this type of development
- The Town should neither encourage nor discourage this type of development

14

■ The Town should discourage this type of development

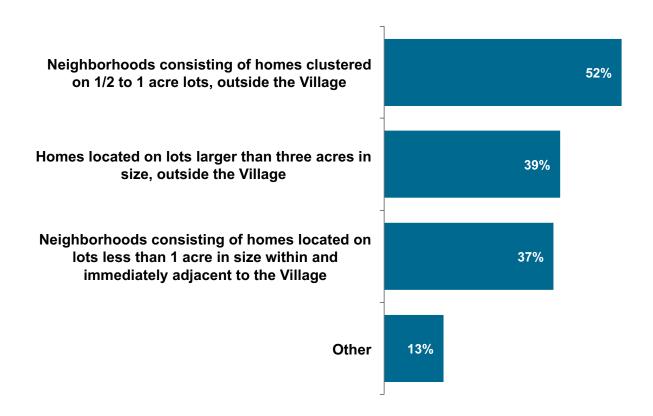

Q310 Qualified Respondents (n=375)

One-half to one acre lots are preferred over smaller sized lots

What types of residential development patterns would you like to see in the Town?

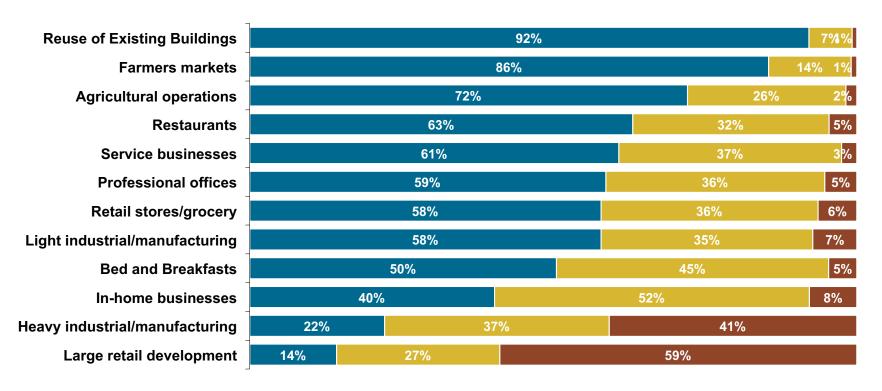

Q315 Qualified Respondents (n=368)

Avon residents are in strong support of reuse of existing buildings Many would also encourage the development of farmers markets and agricultural operations

Indicate if you feel the town should commit resources to encourage or discourage this type of development, or if the town should do neither:

- The Town should encourage this type of development
- The Town should neither encourage nor discourage this type of development
- The Town should discourage this type of development

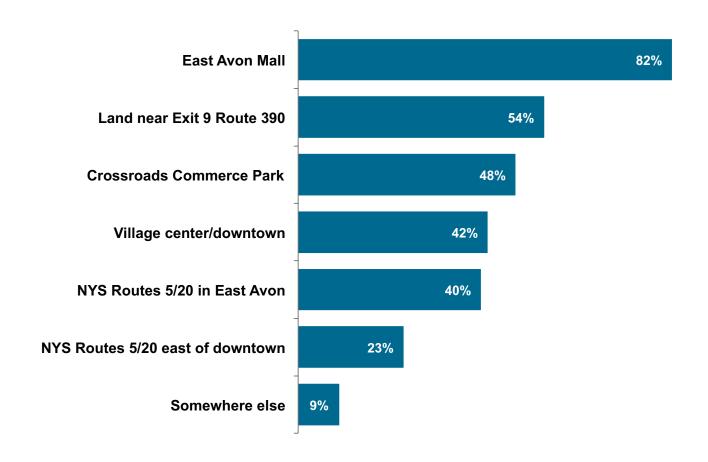

Q320 Qualified Respondents (n=375)

Over 80% of residents would like to see the community focus new commercial development at the East Avon Mall

Where would you like to see the community focus new commercial development?

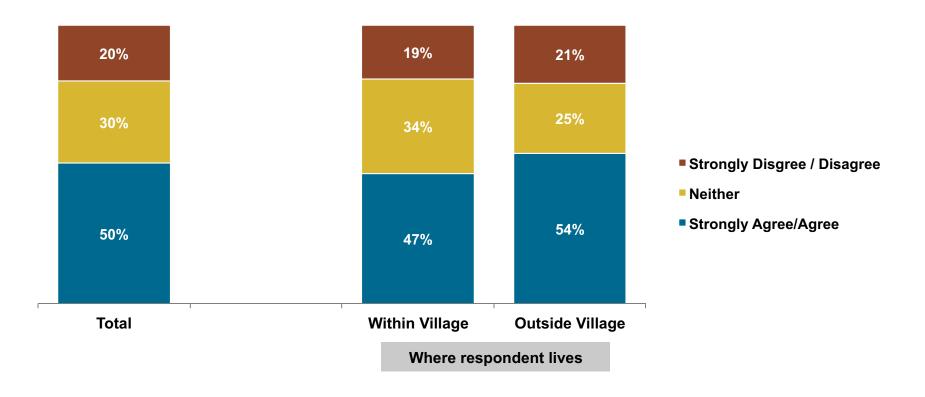

Q325 Qualified Respondents (n=378)

al CRUX

How much do you agree or disagree with:

Future residential and commercial growth should be focused in and around the Village to capitalize on available utilities and existing public services

Q330: Qualified respondents (n=378)

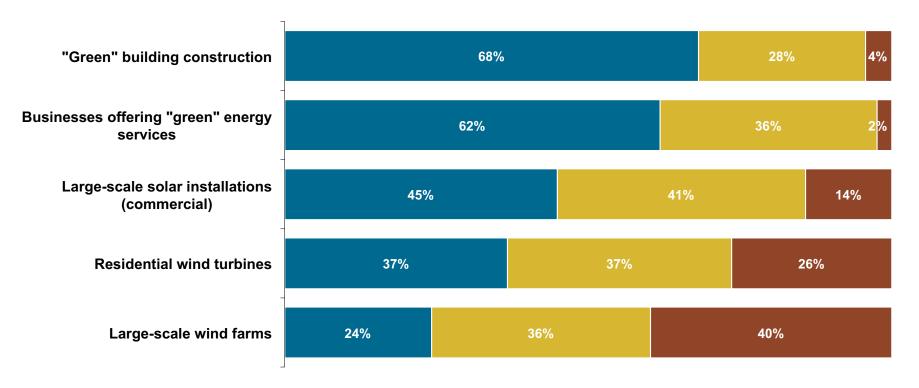

Avon residents are in favor of "green" development

They are less favorable toward large scale efforts such as wind turbines and wind farms

Indicate if you feel the town should commit resources to encourage or discourage this type of development, or if the town should do neither:

- The Town should encourage this type of development
- The Town should neither encourage nor discourage this type of development
- The Town should discourage this type of development

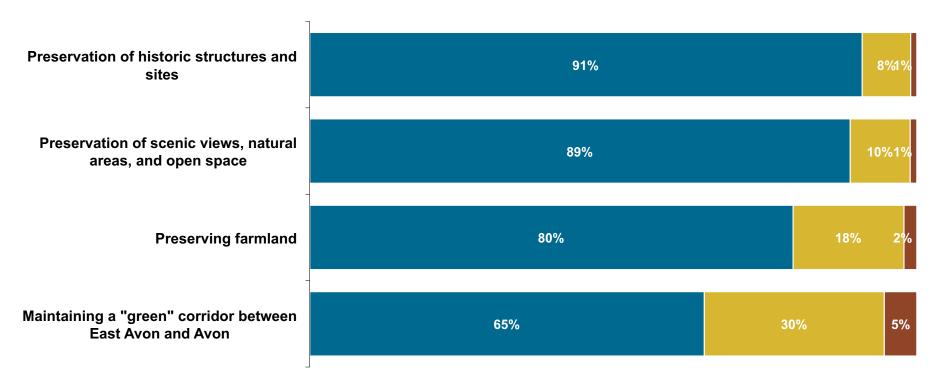

Q335 Qualified Respondents (n=377)

Avon residents want to preserve their town's historical charm

Indicate if you feel the town should commit resources to encourage or discourage this type of development, or if the town should do neither:

- The Town should encourage this type of development
- The Town should neither encourage nor discourage this type of development
- The Town should discourage this type of development

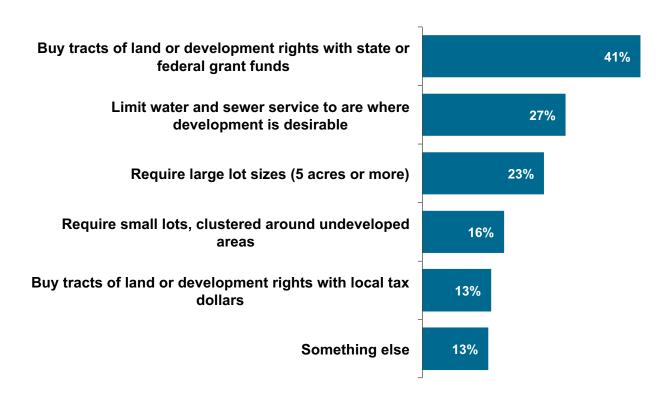

Q340 Qualified Respondents (n=380)

Many residents are in favor of buying land/development rights with state or federal funds

Which of the following are things you would like to see the Town of Avon do to protect open space?

Q345 Qualified Respondents (n=373)

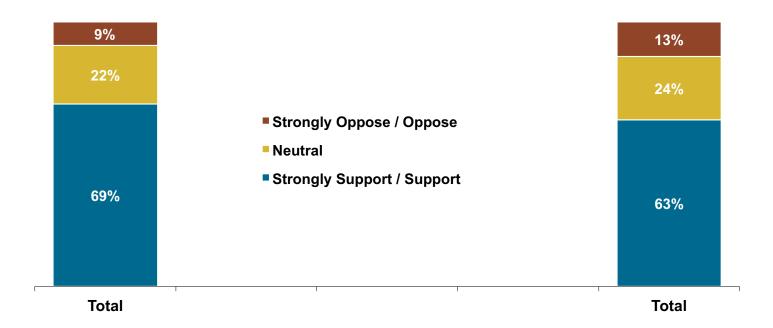

Many would support the development of standard procedures or an architectural review board, to preserve Avon's town character

Do you support or oppose...:

The development of standards and review procedures to preserve and promote Avon's visual character and design qualities?

The creation of an <u>Architectural Review Board</u>, which would help guide development to better preserve and promote Avon's character and visual design qualities?

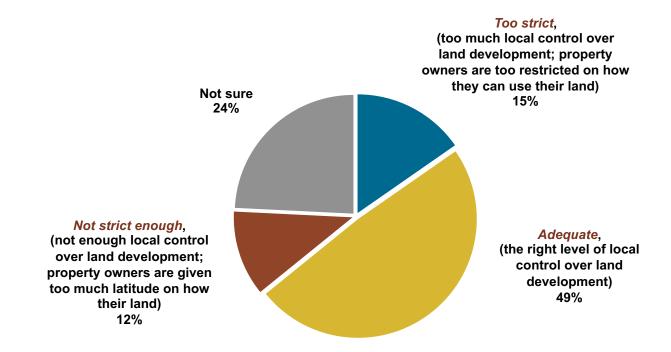

Q350/Q352: Qualified respondents (n=377)

Half of Avon residents feel Avon's current zoning laws are adequate

How do you feel about Avon's current zoning laws (land use laws, including zoning and subdivision requirements)?

Q355 Qualified Respondents (n=374)

Avon Agriculture

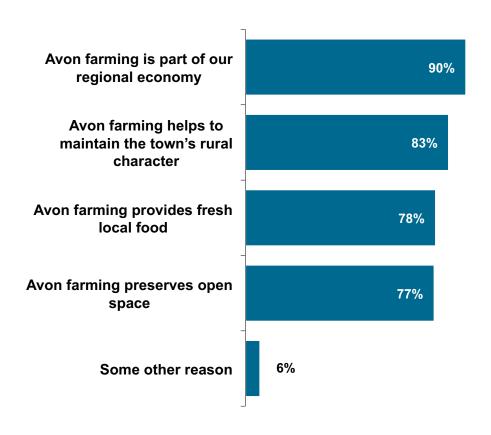

Local agriculture is very important to Avon residents; they believe it is an important part of Avon's regional economy

Local agriculture also helps maintain Avon's rural charm

To you, how important is it that the Town of Avon supports and promotes local agriculture?

Not very / Not at all important Neutral Extremely / Very important

Which of the following are primary reasons why local agriculture is important to you?

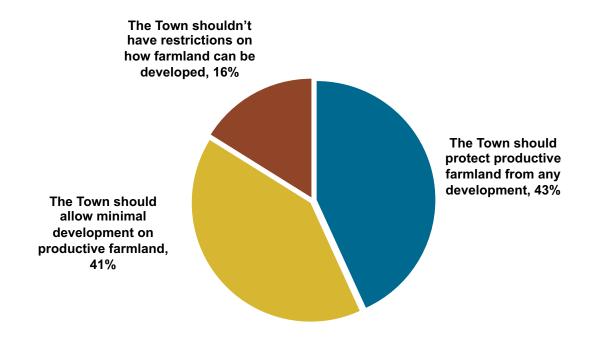

Total

Most Avon residents feel there should be some type of restriction on farmland development

43% feel farmland should be protected from <u>any</u> development; a similar proportion feels the town should allow minimal development

Which statement below best reflects your opinion about the potential development of farmland in Avon?

Q410 Qualified Respondents (n=377)

Local Water Quality

Among the 12% of residents who have a drinking well, many have an issue with it

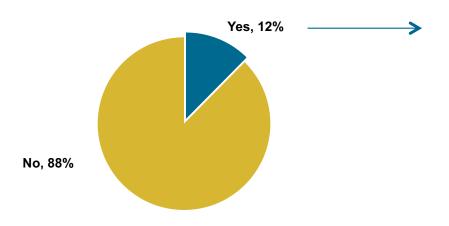

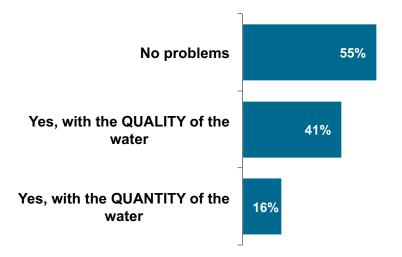

4 in 10 well owners have an issue with the quality of their well water

Do you use a private drinking well for your water?

Do you have any problems with your private drinking well?

Among 42 residents who use a drinking well

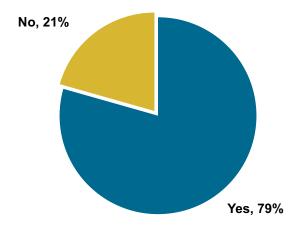

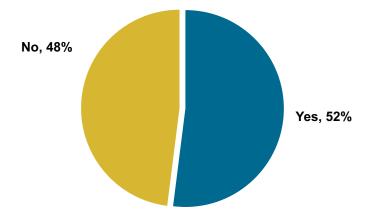

Half of survey respondents are interested in receiving the study results

In your opinion, has this questionnaire given you adequate opportunity to provide input into decisions being made about the future of Avon? Would you like to receive the study results and updates via email?

Open-Ended Questions

What is your favorite thing about living in Avon?

Respondent Verbatims – Word Cloud

Source: www.wordle.com

A "word cloud" is a summary of frequently used words within respondent verbatim comments. The word cloud gives greater prominence to words that appear more frequently.

31

What is your favorite thing about living in Avon? Respondent quotes

- Avon feels like a very safe community. I like knowing many people and that it is a true American small town.
- Close to everything in the village—we can walk places because of sidewalks and proximity.
- · Community spirit with neighbors helping neighbors.
- Everything is close instead of driving out to Henrietta to pick up tools or dinner, even a haircut.
- Growing up here my favorite thing is the community (people). I like the small rural town character while having quick access to a large urban center (Rochester). I have the best of both worlds and would like it to stay that way.
- I grew up on a farm here, and I love the rural beauty and continued agricultural emphasis of Avon.
- I love all the green that is still a part of the community. Coming from the suburbs/urban areas made me realize it is still possible to have all the excitement of a bustling town while maintaining our important and vital environmental assets. And besides, it makes it so much more beautiful.
- My favorite thing about Avon is the people. They are friendly, helpful and kind. They have a concern for the safety of our children and the elderly. The lovely tree lined streets and old houses, and the beauty of the village even when the snow of Winter covers all the beautiful flowers.
- Rural atmosphere, historic architecture, civic pride, access to Rochester, reasonable taxes, agricultural support, access to
 Conesus Lake, access to Rt. 390 and Thruway, environmental stewardship (no to fracking), safety, medical and dental services,
 good balance of retail, food industries (Kraft, Barilla).
- · Safety I can walk my dog in village at midnight and feel safe.
- Small town community is like a family. Most people rally to help others out in good times and bad times.
- Small town, sense of community, knowing many people who live here. The opportunity our children have in a small school district.
- The feeling of community in a small, agriculture town with a very good school district full of families that have been around for generations.

Q215 Qualified Respondents (n=334)

If I could change one thing about Avon, it would be... Respondent Verbatims

- Adding a few more community events, storm water retention, and easier ways to get back and forth to Rochester without driving.
- Add a family friendly pub with reasonable prices where you can gather with friends, after kids games, have a beer, watch a game. (I.e....The Distillery etc).
- Better communication... A community newsletter or improved town website. More family activities and better downtown business offerings.
- Bring activities, restaurants, historical markers, etc. that would attract visitors, making it a "destination" site for an afternoon or day.
- Cease further development until a practical plan for dealing with run off water is in place. Presently we have a serious water problem that was not in the least bit anticipated.
- Existing vacant buildings need to either be torn down or allow them to be used as intended. Too many eye sores.
- I feel since it is such a small town, it can be difficult and intimidating to finally feel a part of it. I feel like Avon would benefit from more community events and involvement (like the Corn Festival) and make more of an effort to reach out to the new folks in the community. It took a couple of years before I even began to enjoy living here.
- Incentives to encourage small businesses to populate shops on Genesee St. and/or on the circle.
- More, and better restaurant choices. Better local retail.
- More business downtown. Either restore and use the theater or convert the space for a different type of business use.
- Storm water management could be improved drastically and the town to listen more to its citizens.
- To provide more opportunities for healthy living for adults... Nutrition lectures, adult walking club, adult water aerobic classes, adult sports activities---women's volleyball, softball, basketball, tennis, yoga.
- The terrible problems we are experiencing with the flooding from the rains. Please require developers and companies (railroad, and electric) to improve storm drains and retention ponds.

Q220 Qualified Respondents (n=332)

What concerns or ideas do you have for the Town as we plan for the future?

Respondent Verbatims

- Avon is a very quaint community. I always try to support local businesses, however, there is a shortage of quality restaurants, grocery stores, and small business specialty shops. Would love to have more/ some choices in these areas.
- Be sure that thorough planning is done with developments to include the environmental effect in existing areas...i.e. water runoff.

 Plan for maintaining streets...potholes are ridiculous. Update town and village websites regularly so community can get up to date information.
- I believe that the town should continue to be based on an agricultural community with a small town culture.
- I would like to see the Town and Village governments utilize social media more (the town's Facebook page). Also allowing residents to sign up to get emails/texts concerning town events, issues, emergencies etc
- My hope is that Avon maintains its current sense of a community while not overlooking positive growth and development. (That it NOT become a "suburb" of Rochester.) My concern is the future of our water quality from Conesus Lake.
- Need better delivery of my water. Currently caught in the middle. Living outside village, receiving village water on poor quality lines. Town needs to take over & improve line.
- Our key focus should be sustainability. If "new development" doesn't make our community more sustainable, it simply shouldn't be permitted.
- Support community activities that encourage interaction among people like the corn festival, the food truck rodeos, a concert series at the downs like Geneseo and Lakeville, recreation programs year round for all residents, things like geocaching, bird watching, bike groups.
- The town should work to increase the tax base in order to reduce current confiscatory property tax rates, however, not all development should be welcome (i.e. hydraulic hydro fracturing, mining...). Development that requires long term tax relief and does not add to the town's revenue should be examined very carefully.
- The Town of Avon has remained a small town community that has maintained a small growth approach and nurtures the farmland that is a part of its history. Careful scrutiny of developing land should be foremost among town board members. Go slow and steady.

Q600 Qualified Respondents (n=162)

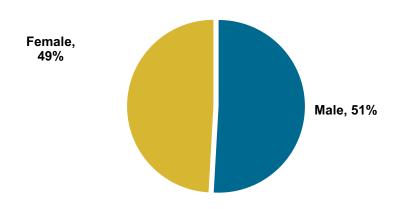

Respondent Demographics

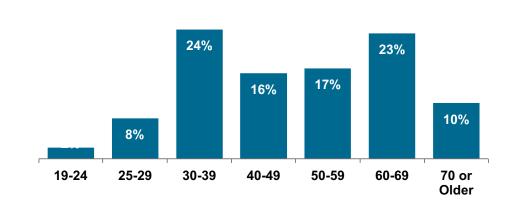

Respondent gender and age distribution

Are you:

Which category includes your age?

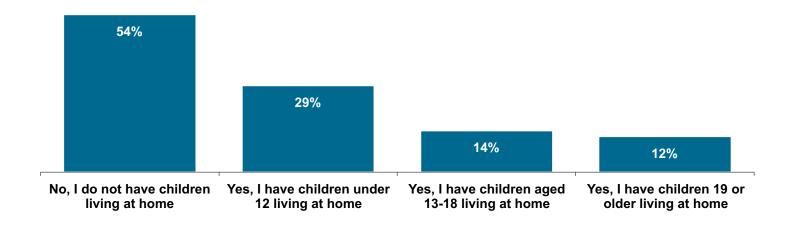

Note: Study data were balanced on these measures.

Respondent Demographics: Presence of Children in Household

Do you currently have children living at home?

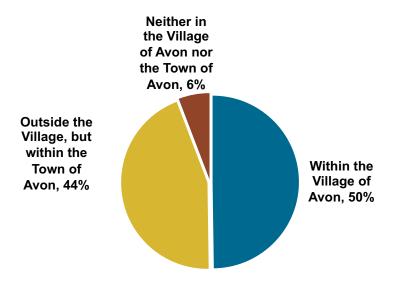

Q110: Qualified respondents (n=380).

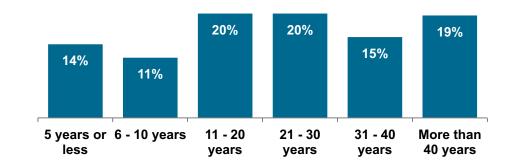

Respondent Demographics: Place of Residence

Do you currently live...?

How long have you lived in the Village of Avon or the Town of Avon?

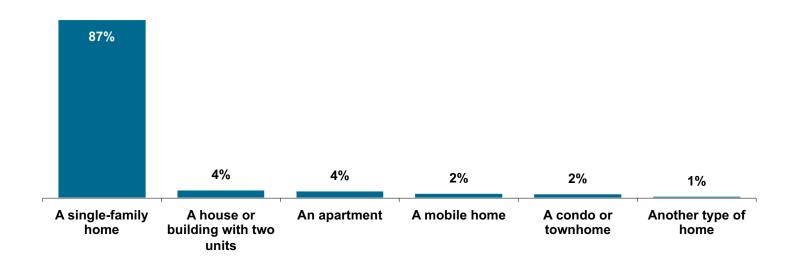

Average = 25.7 years

Respondent Demographics: Household type

Which of the following best describes your home?

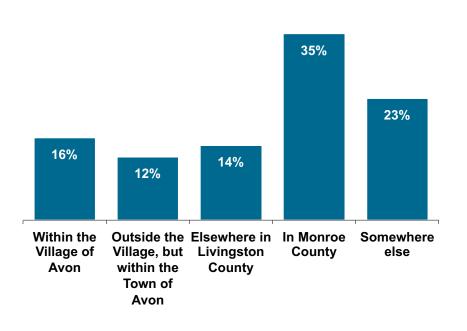

Q130: Qualified respondents (n=380).

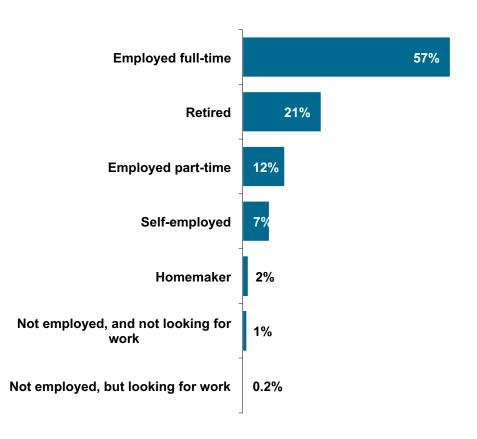

Respondent Demographics: Employment

Where do you primarily work (or attend school, if you are a student)?

How long have you lived in the Village of Avon or the Town of Avon?

Q125 Other

Q115. Do you currently live...? Q125. Specify other place you primarily work/attend school.

How nice the community is to live in

Humble attitudes and low tax rates. Not happy about recent large increases in taxes.

I am very happy to hear that the school is ranked as well as it is and look forward to enrolling my children there when they are I do not live in Avon so I do not have a particular opinion. I work in the Town of Avon and once in a while I am going for lunch I don't know anything else. Lived here all my life! The senior lunch is a big help.

I enjoy living in a rural community.

I enjoy the tranquility and peacefulness of the town's rural I feel safe.

I grew up here and I love the small town atmosphere and wanted my children to experience the same.

I grew up on a farm here, and I love the rural beauty and continued agricultural emphasis of Avon.

I like raising my children in the same town that I grew up in. I like the small town feel.

I live as far out of Avon as possible without being truly in Avon.

I like the rural life but the closeness to town.

I love all the green that is still a part of the community. Coming from the suburbs/urban areas made me realize it is still possible to have all the excitement of a bustling town while maintaining our important and vital environmental assets. And besides, it makes it so much more beautiful.

I love bringing my children up here and knowing most of the I love the combination of agriculture and food industry in the setting of the river valley. Very unique area with a great history! I love the sense of community and small town charm. Everyone knows everyone and that's great! The offerings for children are I love the small town atmosphere and community

I think the taxes are too high for the services we receive. And I don't think the quality of services are of a high enough for what we pay in snow removal, road repair and maintenance. I 100% support local law enforcement and I think our current local government is very anti-law enforcement especially the current I work in Avon and feel very safe doing so.

I work in Avon but don't live there. Many of the survey questions don't take this into account.

If you don't know someone, you can find someone who does. It feels like home and always will because of the people in it.

it has to be all the trees and flowers

It is a pretty town with a great sense of community!

It is part of the beautiful Genesee Valley

It is quiet and peaceful

It offers a lot but is still a small rural community

It used to have a lot of things going for it.

It'a my hometown

It's beauty, friendliness, community spirit. The public events

that draw people together.

It's home

It's home!

It's people. There is a very big sense of community.

It's proximity to Rochester.

it's quiet

its rural agriculture and historic buildings

It's rural character yet proximity to Rochester. it's a perfect

combination, so protecting this farming community is

important. We have some of the best soils in the state, which is

why conserved acreage should continue to be supported.

It's very close to Rochester, but still has a small town

community feel, and the a more rural, relaxing environment.

Kids can walk to their friends and library - the library and school

district are excellent.

Knowing most of the people in the community.

lack of crime and rural flavor

Less crime compared to City living.

Library, Senior citizens nutrition site at Avon Village Office.

Living in a rural community only minutes away from the

expressway and city of Rochester.

Living in the country - very few neighbors

Living in the country with the close proximity of the

conveniences of a nearby city.

Living in the Village, proximity to services.

Location and opportunities for my children

Location and sense of community.

Location, taxes, horse country, farm country, Tom Wahls

Low Property Taxes and available clean drinking water.r

Mary primm

My family lives here

My family lives here, and we have always been very close. We

love the schools and education.

My favorite thing about Avon is the people. They are friendly,

helpful and kind. They have a concern for the safety of our children and the elderly. The lovely tree lined streets and old

houses, and the beauty of the village even when the snow of

Winter covers all the beautiful flowers.

My favorite thing about living in Avon is how central it is to

places we visit frequently, ie: Geneseo, Henrietta,

My favorite thing about living in Avon is the tight knit small community that I grew up in.

My Neighbors

My neighbors!

Natural beauty of the area and convenience of major roadways

north, south, east and west.

Q220. If I could change one thing about Avon, it would be...

- Closer to work (Webster) - Get rid of Tops and replace it with a Wegmans! - A mid-scale restaurant in town would be great (examples: The Brewery in Honeoye Falls and Ember in ...an immediate moratorium on new housing development until existing developments are brought up to code with drainage. Just one example: D'Angelo Parkway's development has stripped the area of a root system that protected nearby ...restoring the downtown business district area to be more of a draw with retail establishments appealing to a wide range of people. Too nostalgic perhaps, but more of a throwback to

?? More public transport to rochester ???

- 1) Responsiveness of elected officials. Every call or request should be logged, responded to, and resolution noted in logs.
- 2) Planning needs to include: buddy system to account for handicapped and elderly flood plans: sand bags available at cost to residents designated high ground
- 1. Provide water and gas services to more houses in the town
- 2. Provide community internet services (i.e Fairport has
- 1..Finish sidewalks on Polebridge Road in Village. 2..Have one trash hauler in Village--bid it out so that it can also be on your taxes for a deduction. (no brainer!) -- 3 or 4 Trash Haulers traveling the Roads every week. 3. Hemlock Lake as our 4 corners in East Avon, particularly the southern corners. A place to dance!

a reduction in the traffic of large trucks through Main Street.

Access to high speed internet in rural areas of town

Add a decent sit down restaurant that offers quality food and

Add a dog park

Add a family friendly pub with reasonable prices where you can gather with friends, after kids games, have a beer, watch a Add more businesses that draw people to Avon. Like a coffee shop or restaurant that stays open late with consistent business hours. A starbucks around the circle would be nice. Get rid of gray that building with all the arcade/atm machines. Add more businesses to keep people from driving to Geneseo Add Street lights to Antonio Drive. Very dark at night and it's a pass thru for many drivers and there are multiple blind curves Adding a few more community events, storm water retention, and easier ways to get back and forth to Rochester without Addition of patio homes for lease; similar to homes on Collins but in rental mode. (For us Baby Boomers). Also, I would support a small Walmart off of Tech St., behind Genesee All existing vacant buildings need to either be torn down or allow them to be used as intended. Too many eye sores All the halfway housing and vagrants recently

Communication! It seems you have to know someone or be "in the click" to know what is going on. When I first moved out here I didn't even know where the school was & had to ask someone. Thankfully signs eventually went up. I have looked up info about local activities (e.g., parade, breakfast with santa, etc.) and can't find times or locations and sometimes when I do it's inaccurate. I've had difficulty finding things to do for my children. The Town website should be a reliable location for what is going on around town. A community center would also be a great addition to the Town community based electric service like in Fairport.

Community center for youth (and all ages) community garden in chase park or the downs

Connect with Monroe county Water. The public water prices Consoladate police with the sheriff dept

Dave Lefeber, Jim Blye, Tom Mairs. Keep Ayers and Stean!! Do we really want someone who runs his mouth at a local village restaurant on the town board?! Dave Lefeber can't make a decision without askin his secretary Mary Blye on what he dealing with rain. We keep paving roads, making them higher water now running towards house rather than towards storm Decrease the noise from the Kraft plant and farmers grain Decreasing the amount of low income apartments in the village. I'm not really impressed with the suspicious people Do something about the poorly maintained/empty buildings Dont care for the underlying politics-people should focus on Don't have one right know!!

Downtown/small business/shops...things that not only draw people, but keep people. As a small business owner, it is a Drainage during the storms. Also sometimes the snow Drainage when high amounts of water come too many issues with water drainage being too slow (pipes to small) to handle easier access to using public transpertation

Eliminate local police, we have state and county police 7 miles Encourage more commercial and not industrial businesses to the area and refrain from offering tax breaks to do so. End the village government and Town take it over! every thing looks very nice, bt too much money is being spent. Expand the sewer district south on Route 15 from 5&20. Expanded programs for youth outreach and community Fair access to sewer service

Fake it a right to farm community. Sad to see so many towns around us with those signs and not us.

Fiscal management

Fix the sidewalks we already have instead of ones we don't fixing the current water issues and having more recreational activities for all ages to be active in the community.

flooding Flooding!

Garbage pickup included with village tax

Garbage pickup....Too many companies too many days get rid of subdivisions.

Getting rid of the curbing by the railroad tracks on Main Street. In all my years I have never seen a problem with cars on the tracks waiting to turn than I have seen since this curbing (which is so unnecessary)was put in. Now there are Grocery store options

Have a larger school district

Have more community events to get to know others who live have more cultural events (Bob's Brother's Band isn't a cultural event, and encourage more intellectual people to have more sidewalks, for example, Pole Bridge Rd, as many people walk on this road and there are no shoulders or Have sidewalks all the way from East Avon into town Having a good general store. (Transportation for public) Having a noise ordinance in the town at a certain time. Having more things going on during the summer, like Corn Fest. Or making sure the whole town doesn't end up High tax rate for the amount of businesses we have in this Hire a full time Police Chief and give the department an adequate office (ie open space at the town hall) Hmm..just one? Sidewalk (path) that goes from east of East Avon to the village..safer for middle/high school kids..as long as they can also use them for their bikes.. Also, slower speed I am glad to see that the community is willing to invest in the school, but am concerned at how much is given to athletics compared to the arts. Spending the money on turf for the football field seemed silly to me. Playing on grass is better for i am trying to sell my property and move I can't think of anything I'd change.

t carrie chinik of anything ra chan

I can't think of anything.

I don't even know where to start.

I feel since it is such a small town, it can be difficult and intimidating to finally feel a part of it. I feel like Avon would benefit from more community events and involvement (like the Corn Festival) and make more of an effort to reach out to I like the fact that it is a small town. Almost too tight. Tight enough that most outsiders are not welcome. I would encourage Avon schools to bring in a Stop Bullying program.

Within the Village of Avon

Outside the Village, but within the Town of Avon

I prefer to have the refuse collection permitted on one day/week by one collector: At present, all residents of our otherwise beautiful village experience garbage totes, cans, barrels, and recycling bins on the curbside of homes on a few different days per week. We also experience the exhaust and noise of several large trucks going to many homes on a few different days per week. Please consider decreasing environmental air, noise, and visual pollution, while increasing environmental aesthetics and safety in our Village of Avon by: 1. establishing policies that are required for garbage and recyclables collection 2. putting to bid garbage/recycling I think my taxes are high and the prices of homes seem to be increasing beyond their reasonable worth. i which there were more rental apartments that could be

I wish we could develop a niche that could help sustain Avon better. We are developing a "sense of place" with some of our historic features and the Corn Festival. But it isn't enough to create a thriving village yet. I like having an active walking I would like something to be done with/about the ugly little empty building on Rt. 39 near the gas station in the village, the empty building on the circle, and the run-down rentals I would like to see more activity on the west side of the village. We need to balance the trend to build eastward to the highway. The heart of the village is something visitors love-I would like to see more places available for the youth. Ex: I would like town and village governments to be more cooperative with each other to work for the betterment of I would make 1 government. There is no need for a village If children are expected to walk to school, then sidewalks should be plowed and taken care of every day. If I could change one thing? Avon would stay just as small and quiet and be more cosmopolitan. How's that??!

I'm satisfied with most everything.

I'm stumped. Only trivial things come to mind such as higher standards for landlords. Mostly though I'm satisfied as is. Improve quality of services for the taxes we pay. Improve roads in Village... Especially Clinton street.

Improve the storm water drainage system.

incentives to encourage small businesses to populate shops Increased police protection and presense. I would like to see the town and village expand the village police department so insure the continuation of the quality of life within the village and town by making decisions that provide Avon with the It seems to me that the police presence is exceptionally high in Avon. It's rare that I'm out and don't see at least one police car. Our community is relatively crime free, so the abundant It would be nice to have someplace adults can go for a drink and food, without being surrounded by married people engaging in extra-marital activities. It's everywhere and it

the water that floods the roads and keeps our basement wet with the heavy rains over the past year. We need better The way Rt 390 cuts up the town. In a way 2 exits give opportunities but also makes hard and costly to provide The way the town is reacting to the current flooding issues. The weather

there is an insider/outsider division between people born here, with generations here and new comers, affects kids There should be more offerings for its youth and teenagers. Avon recreation needs a bolt in order to become more updated and think outside the box. There needs to be a place for teenagers to hang out safely. Where is the community center for 12 +? We are losing talented kids who look There should be sidewalks EVERYWHERE within the village. There would be better and more recreation program offerings for youth. There are minimal programs organized for during the school year and/or school breaks. The summer program fails to take into account that in many families in Avon now, both parents work. Yet, the program is stuck in the 1950s and hasn't changed much since then. The half day program and to add some bussinesses where people can have more access to build a center for the community to use (like a YMCA) so the school buildings are not expected to be used as much after school hours to save wear & tear on school equipment & to clean up downtown and limit trash pick up to one day a to combine town and village government.

To downsize the police department

to establish more service-oriented businesses in East Avon for to have a better grocery store which has a variety of choices To lower taxes

To merge with Rush so Rush residents could have Avon's To NOT get flooded out when we get heavy rains s To not have the same people on every board, get people involved, same people control everything

To offer more activities for seniors

to offer more public services and to have stricter zoning laws that are enforced fairly. Also, I would make sure that there is a better balance among business, residential, and zoning districts. Keep industries in designated industrial parks and to provide more opportunities for healthy living for adults... Nutrition lectures, adult walking club, adult water aerobic classes, adult sports activities---women's volleyball, softball, To reduce the school tax.

Q600. What concerns or ideas do you have for the Town as we plan for the future?

1. A variety of types of wild areas should be protected to attract migrating and local birds and possibly butterflies 2. Much of the rural character of an area becomes apparent at night. Exterior lighting fixtures with full-cutoff shielding can provide property owners with the light they need, with less confusing glare and less light trespass with less impairment of natural darkness and starry skies. As LEDs take over from other light sources there is the possibility of making Avon in the near future look like West Henrietta Road does now. The rural character will disappear at 1. Do not follow the path of Henrietta 2. Learn to work with 5 & 20 NEEDS TO GO BACK TO 4 LANES

A lot of walkers such as myself would like to see sidewalks improved and many low parts in grass around corners meeting Add more sidewalks. Vital parts of the village where there are lots of kids do not have them. Get rid of gray that building with all the arcade/atm machines. Such an eye sore and would be a Already mentioned above. Thank you for asking our opinions. As more development comes to area, we need to make developers build buildings that will look good in our community. I know the villahe, thinking if they pushed the issue to hard would lose developments, allowed ugly, boring buildings like Monro or Avon has basically done well in most development issues. I do know more needs to be done BUT feel it must be done slowly and carefully. The character of the town needs to be maintained. Avon has been a town that has a reputation of small town charm and close to the city. But.. the taxes here keep good people from living here. Keep the "charm" but look to the future. Towns need to grow but be careful what you do. Think of the future generations and how they will look back and talk about Avon and Avon is a great place to live and raise a family. I hope whoever is reading these surveys will listen to what the people want. Avon is a very quaint community. I always try to support local businesses, however, there is a shortage of quality restaurants, grocery stores, and small business specialty shops. Would love to Avon must prevent the use of existing and to-be-developed gas wells for storage of waste materials.

Avon should be Avon and not try to be Henrietta, Geneseo, or Rochester. We don't need to be snobby but there is a lot to be said for being an agricultural and bedroom community. Lastly, it's extremely important to prevent sprawl. There is plenty of space in the village and in East Avon to accommodate retail, service,

Avon, like many of the towns in our area are rich in history, evidenced by the older buildings and architecture, and supported by agriculture as well as a number of large stable industries. Growth is important, but not at the expense of our rural heritage and the large economic base agriculture plays in our town and surrounding area. People live in Avon because they like the small Be careful how we use our land.

Be more cautious when it comes to allowing industrial property Be sure that thorough planning is done with developments to include the environmental effect in existing areas...ie. water runoff. Plan for maintaining streets...potholes are ridiculous. Better lighting on corner of Spring Street & Sackett Road. Fix drain under railroad bridge on Spring Street.

Bring in jobs so young people can stay in Avon.

Clarification of two answers: I did not grow up here but there wasn't an option to select that. On the quality of services for seniors, I have no opinion because I don't know, but there wasn't an option for that. Also, as a courtesy, on future surveys you might want to include more gender options like "other" or Clarify the existing Code book to remove the opportunity for so many subjective Board Members opinions such as "Subject to Planning Board review and approval" Or "Is this a self created hardship". DEFINITELY DON'T create any more review Boards!! cluster housing makes more since than 3 acre lots in agricultural zoning districts, qualified residents need to serve our community Complete sidewalks within the current Village boundaries. Eliminate the Village of Avon. Merge Avon Water with Monroe Consider town and village combining more services. Future combining of school with other schools-or sharing more services. Consolidation of Village / Town resources where possible. continue to make hard decisions that take in the community's Continue to promote "islands" of development near town. Development has been hasty in the past 10 years. Let's be careful about how our community grows so we keep our small town healthy and vibrant. We have enough fast food joints! Encouraging new businesses in our village downtown to make use of spaces is a great idea. I'd love to see more opportunities for Development is good, but it is important to maintain the small town feel and try to keep traffic minimal.

Development must be done very thoughtfully. Maintaining the small town community feel while balancing tax base development to alleviate the burden on residents is critical to sustainable growth. Considering what has worked in towns like Honeoye Falls and not making mistakes as seen in Victor (too much too fast) is critical. Strip malls, fast food and chain restaurants, and highly concentrated residential developments will detract from any allure Avon may want to achieve. Focusing/supporting and capitalizing on strong schools and a vibrant predestrian-friendly

Do not allow the processing plant to go into the plaza near 5/20. Protect the privacy, quietness, and character of those who live Do we really need to support so many Avon PD officers? We have Troopers and the Sherriffs all over.. We spend a lot of \$\$\$\$ to maintain and pay pensions yada yada yada. Also- Combine the Village and Town governments. I hear talk of some individuals collecting both a Town AND Village pension from OUR tax money. Being an elected official in this burg comes with the responsibility to spend our hard earned tax dollars in a prudent Drainage needs to be a major consideration in residential development. Sidewalks, if drainage allows, would be much appreciated on North Littleville Road. Walking on the side of the Focus development in existing empty buildings Focus on what is in the village and develope it to meet the communities needs. A self sufficient village will bring in more Get rid of these Cookie cutter House's and build to the Grew up in Avon and have seen the growth in the past few years as I come back to visit. It is on the right track but with a few Guidelines and zoning restrictions are key. With proper review procedures, property owners should be able to entertain any Have a Great Day

Heavy industry like the proposed concrete plan in East Avon should not be allowed within a certain distance of crowded residential areas. If there is interest in a heavier industry, create a location to encourage that away from residential zones (like over near the town barns). Existing commercial and industrial locations should be focused on first, instead of building new, and I believe that the town should continue to be based on an agricultural community with a small town culture. I believe there needs to be an investigation into the actions of the

Town Supervisor, Board, and Clerk as to their mishandling of various dealings between landowners and how they utilize their positions of power to benefit themselves at the cost of others. There have been too many instances of nepotism and cronyism I enjoy and like very much the historical and farms that we have I grew up in Avon & graduated from Avon Central decades ago, but cherish those memories. I keep in touch with Avon friends, belong to APHS & love the library. I'd rather shop in Avon than I have a love/hate relationship with Avon. I like the beauty of the area, but I HATE the humdrum, ho-hum, small-town mediocrity that we have here. I really wish we had more intellectual,

I have concerns about how Avon's zoning codes will be amended or revised. While the Comprehensive Plan provides a guide for our future, it is the zoning codes that define how land is used. They must be written to survive a legal challenge. I would like the Comprehensive Plan committee to strongly recommend hiring an experienced community planner. Other towns have used professional planners. I would like the Comprehensive Plan to reflect the needs of families to have space for recreation. We hear about 'walking and biking communities'. That is difficult today due to road traffic. It is hard to connect with neighbors. Kids need a park to play in with space to park cars. We need I just see Avon with a ton of potential for growth, to develop a healthy vibrant community, with opportunities for jobs, things to do, shop, entertainment options. It's hard to see Avon as a town to settle down or live in for young professionals when there is little to no options for decent well paying jobs, places to live, things to do. Avon doesn't have to grow into a big town, but there's no reason to not utilize the resources we have to develop a vibrant town (2 390 exits, 5&20, industrial/commercial parks, residential developments that hit a wall). It's hard to see a future i like it the way it is .preserve it.

I think a balance of the options presented here is important, while preserving the small town atmosphere and character -some larger lots, some satellite clusters of smaller lots around open/green space, some farmland, and some development to the extent that it adds value and character. larger commercial developments should be located in existing commercial areas I think if we offered more activities at the Downs for kids, i.e. a spray park, or bike riding trails, like other towns have. I think that the 2 existing half empty strip malls need to be considered before we build new buildings. Half of the buildings at Kraft are empty, why can't they be re-used. Our boards need to evaluate other I think it is important that hydraulic fracking be kept out of this area. I don't want to see commercial sprawl expand everywhere either. I think it is important that businesses be kept in I think that the development of Avon is critical to attracting young families to the district. I would hope to be able to maintain the charm of Avon during any development. Personally, as a young married couple planning to start a family, we are interested in newer homes on 0.5-1.0 acre lots with 3-4 bedrooms and 2000K+ sq ft. Two of the housing developments in the village and East Avon (Carriage Lane, Royal Springs), are comprised of beautiful houses that essentially sit on top of each other. Living in the rural suburbs should come with the expectation of some space, while

I think we need to be more creative and somehow combine our love for the land with what's happening in the community. Make places like the Downs and the Genesee Valley Greenway more attractive, and create more spaces like it. Additionally, I think it is vital to begin development in buildings that already exist and aren't used. We could really make Avon an example with all the I wish the town could do something about the eyesore buildings around town: the Driscoll bldg on the circle, the housing coming I would like most of all for Avon to retain its small town I would like to have more background information on the reasons I would like to see Avon taxpayer's dollars used for important needs of the community including our school taxes. I do not think we should be supporting upgrading facilities that were done in I would like to see the Town and Village governments utilize social media more(the towns Facebook page) these questionnaires are a good start. Also allowing residents to sign I would love to see a vibrant small business/downtown district, with places to attract youth and elderly. There have been efforts lately, with the NYS grant, but I feel there needs to be more focus, not just more money. We are on a thoroughfare between Niagara Falls and NYC and/or the Finger Lakes. I get quite a lot of overseas tourists in my restaurant. But then, I have to tell them I would love to see the roads fixed and better maintained on the north end of north avenue and reed street I'd like to see the Town officials seriously look at the code as it applies to special use permits for the Hanson expansion into the NE corner of Avon. I am concerned that Hanson is operating I'd suggest getting owners of buildings on West Main St to better maintain those buildings. They currently leave a less than If farmers/landowners want to sell and a business wants to build on that property then why should 5 board members be the ones who make that decision. If anything bring it to a town vote. Only I'm convinced, based on the many leading questions in the survey, that future development in Avon will be more costly and take much longer to be realized.....largely due to conclusions drawn from this flawed instrument. "Architectural review Board"?? Really?....This from the same group who will erect a Install bathrooms and better pavilions at Papermill Park (perhaps locked bathrooms, opened for events). Install sidewalks around the Four Corners in East Avon. Revitalize the East Avon shopping plaza (professional offices, a restaurant, a grocery store, an antique shop). Extend water & sewer service to promote housing Is there someway to put a sign up with blinking lights coming from the east before you get to the circle in the Village about "Curve Ahead"? In the 11 years we have lived here, at least 3 It is very difficult to preserve a town's history but when you lag behind and then try to catch up you cannot do it all at one time.

We are very lucky to have the businesses but it would be nice to

It would be nice if more diverse programs were offered for chidren's recreation. I also believe to be competitive, the development of a universal pre k program provided by the school It would be really nice to promote East Avon more and also have better connectivity between the Town & Village, both physically & communication-wise. Public transportation from Town to Village several times a day. Safe bike & walking path (not roadside) from Town to Village. Businesses that support our rural character centralized at Rts. 5&20/Rt. 15 (e.g., farmers market, antiques, healthy food restaurant, etc.) to promote walkability It would save the taxpayers money if the town and village were combined to form one entity and treat each area separately Keep away from any form of subsidy! consider the NYS tax base. How can farmers exist or plan for future if tax-wise they cannot Keep heavy industry in Rochester and Avon a quiet, clean and Keep it quiet, nice and beautiful!

keep the rural character with future commerical developement to keep the rural community.

keep the rural farming community.

Keep up the great work. We love living here, but are getting older and looking for something that will offer walk to stores and Kraft Plant has become very noisy over the last one to two years-constant drone of low pitched noise from plant- ruins character of town. Recent proliferation of grain dryers is also creating noise lets pray to God for help.

Limit the amount of section 8 housing unless families. Too many ex convicts around our town these days. Crush the blatant drug limit the number of years of tax abatement to new industry Limit trash pick up to one day a week. We have garbage cans strewn all over town three days a week and the noise and mess detracts from the quality of life. Keep downtown clean and free from trash and litter. ENFORCE the codes! Better plan and site review procedures could have reduced the flooding problem. Love my home town, hoping taxes stay low or drop, so that we can enjoy living here the rest of our lives. LESS SPENDING! Lower the school taxes. The school taxes are absurdly high. Create a regional school system to lower the tax burden on property owners . Stop wasting tax payer money on repaving parking lots and sports lighting and buses. School taxes should only be used for the basic education of children and not all the Maintaining the rural character while pursuing light industrial operations focused on future and/or current high-demand technologies. Explicitly disallowing, through zoning ordinances, any/all activities and industrialization associated with the current technologies used to explore and produce natural gas, as well as all heavy industry. A forward looking policy for the siting and Make sure the flooding problem is taken care of by Pole Bridge Many of these questions were answered in general terms -would need more info for specific development etc.

more consolidation with the village than we do

More focus on East Avon development at the 4 corners should be a priority. Demolish the old run down buildings and bring in new More money needs to be put into infrastructure instead of flowers and wasteful projects. The village Dpw looks like a farm More sidewalks, slide at case park, sidewalk going down to the downs, more parking at fields off if lake road, more programs at My concern is that our "small town" is disappearing. I hate that new houses are being built on the west side of Pole Bridge Road. One of the charms of Avon is green open space. And we don't need any more chain stores or restaurants or car dealerships. Avon is place where mom and pop stores should be able to thrive My currect concern would be irrigation and our storm drains and My hope is that Avon maintains its current sense of a community while not overlooking positive growth and development. (That it NOT become a "suburb" of Rochester.) My concern is the future Need better delivery of my H2O. Currently caught in the middle. Living outside village, receiving village H2O on a poor quality Need to pave shoulders of town roads. Roads need to be mantained. Many people walk, bike, run use strollers with no room on roads. Cars driving too fast on town roads. Avon Rec only hires family or friends of people on board. Should hire Avon New businesses in existing buildings would brighten Avon up. No more housing developments Bicycle lanes Better snow No more shopping malls. Utilize what already exists. No further None known, other than improving the storm water drainage systems throughout the village and town.

Other concern: rising deer population danger to vehicles, pedestrians, children - have a bowhunt schedule in village/town to reduce deer population. More public use of school facilities; joint town/village/school collaborations; public safety issues - neighborhood watch; work with public transportation to improve access and convenience of public transportation; development of Our key focus should be sustainability. If "new development" doesn't make our community more sustainable, it simply shouldn't be permitted. Stated another way, why should we Perhaps condition of existing structures and properties should be evaluated - those that could be perceived as adverse to adding to the character of the village. For example entering the village Plans should include climate change risk mitigation.

Please bear in mind that water flows downhill when approving Please don't tax us out of our home

Please hire a code enforcement officer that knows and enforces our town code. Encourage more people to become involved in Please read my comments on what I would change about Avon if I Please take a look at serving our children better with more up-to-date summer camps. We have same

Preserve our history, we have lost to many landmarks. Clean up and develop 2 corners on the south side of 4 corners in east avon Purchase known flood lots and turn into retaining areas or "parks". Partner with and offer at-cost edge-of-field drainage tiling and agricultural areas that flood town and village. Farmers should have stronger vote on development of farmland than renters of commercial owners. Thanks to all volunteers and workers for support thru heavy winter and spring floods. Many Reconstruct the police force.

Regarding architectural review and standards, these should be guidelines to help developers and not burdensome regulations that would limit development. I was surprised that there were no questions regarding consolidations of services. We should look at Require owners of Buildings in the downtown village area to maintain their properties and encourage them to charge less rent School taxes are too high. The schools waste money and are greedy. The town should have tree branch pick up like the village has. Recent flooding shows that the town has work to do in the area of drainage. Keep the agricultural areas. The circle looks beautiful...please thank the gardeners. Town offices need evening hours or Saturday hours for working people. If the town allows building don't allow crap like Tops...an eyesore and filthy...or See comments above about redesigning the survey to apply to those who work, but don't live in Avon.

So many residents have suffered huge financial loss and property devaluation because of flash flooding and an inadequate storm drain system/ water diversion plan. Answers given by the mayor at the Village meeting were not satisfactory. Info given by insurance rep was misleading/incorrect. No REAL solutions were Some areas of the questionnaire didn't allow for comment and some questions seemed to negate others. I believe building lots should be large..outside the housing development areas. Not as large as 5 acres..but perhaps, 2-5 acres. Give folks a choice. This would allow for some very nice homes with outbuildings as the owners might like.. More impressive 'estates'. I do think the Crossroads should be filled with many businesses..and perhaps other areas similar. Small manufacturing, but nothing that might pollute our air, water, etc. I don't think restaurants should be discouraged in deference to those existing. Storefronts that are Stop spending so much money!

Storm drains and flash flooding.

support community activities that encourage interaction among people like the corn festival, the food truck rodeos, a concert series at the downs like geneseo and lakeville, recreation Survey was to long but effective. Hope it helps.

surveywas good. but a bit too long

taxes are a big concern

Thank you for allowing the community to give their opinions.

Thank you for doing this

Thank you for giving us the opportunity to offer our opinions! The Exit 9 Flea Market is an accident waiting to happen. There are no defined parking areas, people pull in and out or walk across the road without any respect for the fact that IT IS A ROAD! There have been times people are actually shopping in the street as the garage merchandise spills out on the "shoulder". I feel there should be a parking lot across Agar Rd with a defined The housing divisions behind Avon CSD and west of Polebridge Road aesthetically fit although I think water drainage was not properly considered. The housing at Royal Springs does not feel like part of Avon. It is the definition of a bedroom community. That should not be repeated. Avon village and town need to be The major business of Livingston county is farming. What we do not need, is any kind of promotion of any kind of farming, near or around the village and town. Almost all individuals who live in the village and the town areas close to the village have jobs that do not connect to farming the land. We need businees growth in and The quality of our drinking water needs to be assessed. Avon appears to be a cancer cluster - water and agricultural pesticide The school is a strong part of the town and I enjoy the agricultural The Town of Avon has remained a small town community that has maintained a small growth approach and nurtures the farmland that is a part of it's history. Careful scrutiny of The Town of Avon needs to be very careful about the industrialization of the area. Care needs to be taken on which industries should be allowed here and where they should be located. At no time should industry be located near residences. All industry that wishes to locate in Avon must follow ALL zoning laws. Exceptions should NOT be made for any industry that would break zoning laws and that would create nuisances to the public. Also, our town boards need to do a better job of communicating vital town news and information to the public. The Town should actively seek reasonable commercial and industrial development to provide tax relief to residents and creat the town should work to increase the tax base in order to reduce current confiscatory property tax rates, however, not all development should be welcome (ie hydraulic hydrofracturing, mining...) development that requires long term tax relief and There is no question about concerns regarding environmental safety of current and new businesses and development. My biggest concern is that we reduce pollution of our natural resources and reduce risks that jeopardize the quality of life via farming practices and manufacturing in the community. For example, I have concerns about how Akzo on the genesee River, There needs to be more of a connection/communication between the school (which is the heart of the town) and the There should be more open community (input) forums before the updated comprehensive project is implemented. I fear that some of the town board members may be looking out for their

Within the Village of Avon Third floor of Opera Block should be restored for community events. Bathroom facilities at Driving Park need to be expanded. Within the Village of Avon town doesn't need local PD. Within the Village of Avon Town govt. is dysfunctional. Our comments in this survey will never be used, Town govt will do what it wants Within the Village of Avon Town must fine farmers for removing hedge rows, water run off issues are caused by farmers on the east side of town. The farm on Barber RD needs to be held responsible for dumping Within the Village of Avon Town needs to address current inadequate ability to handle heavy rain and storm waters/runoff. Many homeowners have flooding issues and thus a huge loss in property value. New Outside the Village, but within the Town of Avon Traffic was not mentioned in this survey. Obviously 5 & 20 is a very busy, yet important thoroughfare. I strongly encourage any further initiatives to install "traffic calming" practices along the Avon - E Avon corridor if development pushes east outside of the village. All development MUST be bike / ped friendly. I'd like to see a designated bike and walking path all the way from Exit 10 to the village! I'd like to see the Town & Village pass a "Complete Outside the Village, but within the Town of Avon We are at a critical point for development. We are now having flooding issues we have never had before due to increased development without upgrading the basic infrastructure. Infrastructure needs to be dealt with and the development of farmland needs to be stopped. We are losing critical land to keep Avon a location people really want to be. I can say, I have been Outside the Village, but within the Town of Avon We enjoy living in Avon. It is a nice town but can use some development that is reasonable in maintaining the rural "country" feel of the community. We can certainly use a broader Within the Village of Avon We must plan for sidewalks and trails to connect the community. We must plan for new parks and green space if there is future residential/commercial development. I wish we had a community center/recreation building other than the school facilities where community members could use a pool, have activities for Within the Village of Avon We need better drainage to prevent flooding Within the Village of Avon WE NEED MORE TAX BASE. WE NEED MORE PEOPLE AND BUSINESSES TO COME TO AVON TO INCREASE THIS TAX BASE. Outside the Village, but within the Town of Avon We need thoughtful, green, environmentally conscious planning that recognizes the rich history and agricultural and rural nature of Avon. We need to think outside the box. No large housing lots with acres of grass mowed or Family Dollar or similar stores built on fertile farm land out in the middle of nowhere! Keep development clustered. Keep development multi-use: retail and Within the Village of Avon We need to fully address the flooding issue before encouraging any additional growth because new businesses and residents are being discouraged from moving to the town because of this issue

We need to have a plan for the commercial zones to have street appeal in signage & landscaping to make Avon have "eye" appeal
