NO STREET

III. M (Description of Repair or Alteration Work)

NOTES AND DATA:

FEES:

Per attached schedule.

INSTRUCTIONS

- a. This application must be accompanied by two complete sets of plans showing proposed construction and two complete sets of specifications. Plans and specifications shall describe the nature of the work to be performed, the materials and equipment to be used and installed and details of structural, mechanical, electrical and plumbing installations.
- b. **The work covered by this application may not be commenced before the issuance of Building Permit.**
- c. Upon approval of this application, the Building Department will issue a Building Permit to the applicant together with approved, duplicate set of plans and specifications. Such permit and approved plans and specifications shall be kept on the premises available for inspection throughout the progress of the work.
- d. No building shall be occupied or used in whole or part for any purpose whatever until a Certificate of Occupancy shall have been granted by the Building Department.
- e. All applicants must stake out property lines and proposed construction for the purpose of checking set backs before permit will be issued.
- f. **APPLICATION IS HEREBY MADE** to the Building Department for the issuance of a Building Permit pursuant to the New York State Building Construction Code for the construction of buildings, additions or alterations, or for removal or demolition, as herein described. The applicant agrees to comply with all applicable laws, ordinances and regulations.
