

THE 2010 CENSUS

IT'S EASY...

IT'S SAFE...

IT'S IMPORTANT...

EASY: Every residence will receive a short questionnaire that is simple and fast to complete and return. In just 10 minutes, you can make a difference. One of the shortest census forms in history.

SAFE: By law, the Census Bureau cannot share an individual's answers with anyone including federal, state, and local agencies.

IMPORTANT: Over \$300 billion in federal funds are awarded annually to states and communities for new hospitals, schools, better transportation and social services. With accurate census data, we can create a portrait of our nation's growing population and determine what's needed to better provide for everyone.

Completing the 2010 Census form will shape the future for you, your community and the country.

The census will show state population counts and determine representation in the U.S. House of Representatives and in state and local governments.

Questionnaires will be mailed to households in March 2010; if not returned and completed in early April, Census workers will visit households.
