ROBERT ALEXANDER, CODE OFFICER

April 2024

Dear Resident:

The Village of Avon is considering applying for state and federal grant assistance that may provide funding to improve municipal infrastructure. Without grant funding, the cost of any project would be prohibitive and above the rate that the New York State Comptroller will approve.

To show that the Village is eligible for state and federal grant assistance, we are required to give grant providing agencies certain information regarding the household characteristics of the population that is intended to benefit from the improvements. ***It is important that both homeowners and renters respond to this survey.***

Please complete the enclosed survey form upon receipt and immediately return the form in the stamped envelope provided. G&G Municipal Consulting will compile the results of the survey. Please be assured that the data collected in this survey will be held in strict confidence.

To protect your privacy, the survey **DOES NOT** include a space for your name or address. Instead, each survey has an individual code. This code allows G&G Municipal Consulting to identify and match your response to the master list of residents. G&G is not allowed to show individual data to the Village. The grant application will use summary data, not the actual survey forms.

The Village Board and I respectfully request that you provide this information without which we will not be able to obtain grant assistance to improve municipal infrastructure in the Village.

Thank you in advance for your participation. If you should have any questions or need additional copies of the survey, please contact Heather Randall, Village Clerk at (585) 226-8118 or G&G Municipal Consulting at (585) 368-8866.

Regards,

Robert C. Hayes, Mayor  
Amanda Hoffmann, Deputy Mayor  
Timmy Batzel, Trustee  
Thomas Cushing, Trustee  
Patrick McCormick, Trustee
